

Steps to help students prepare. Scholarships to help them pay.

The College Board Opportunity Scholarships guide juniors and seniors through the college planning process and offers them a chance to earn money for college for each action they complete. Scholarships ranging from \$500 to \$40,000 are awarded through monthly drawings during certain action windows. Program eligibility begins in December of a student's junior year and runs through February of their senior year. The more steps students take toward college, the more opportunities they have to earn.
